

Morrisons

Since 1899

We meet at 11:30 at Morrisons
on Lottbridge Drive.

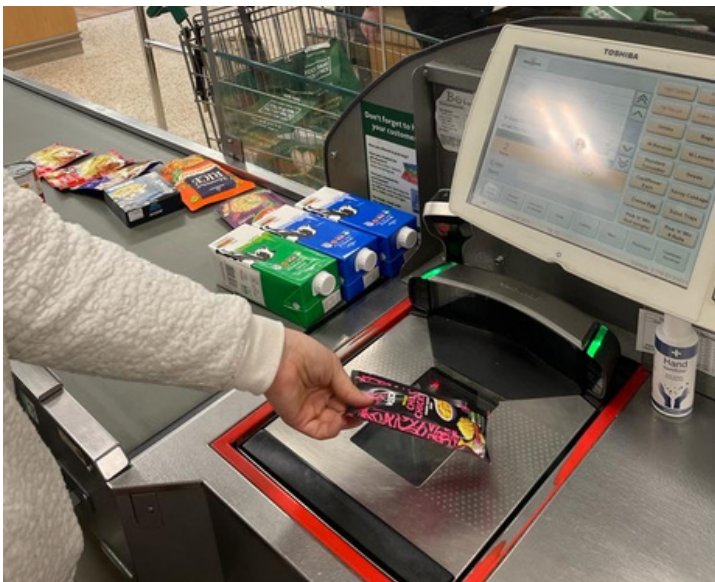

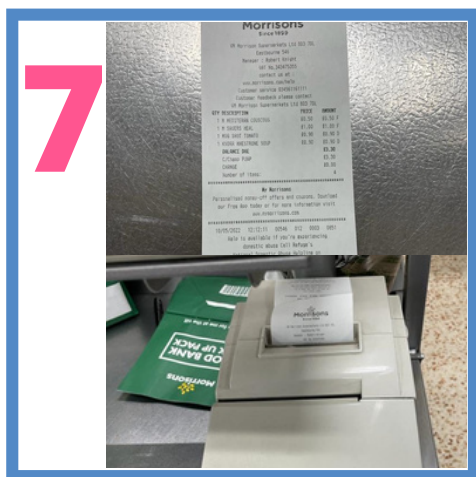

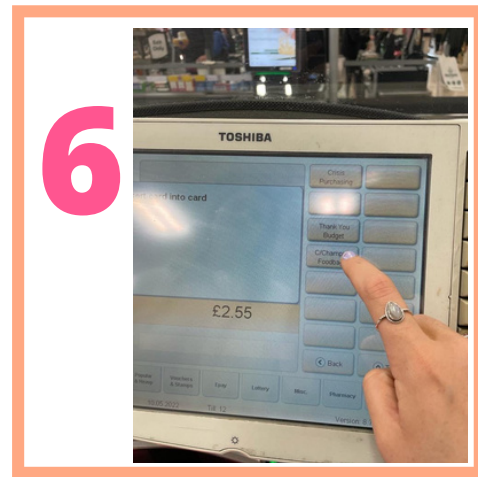

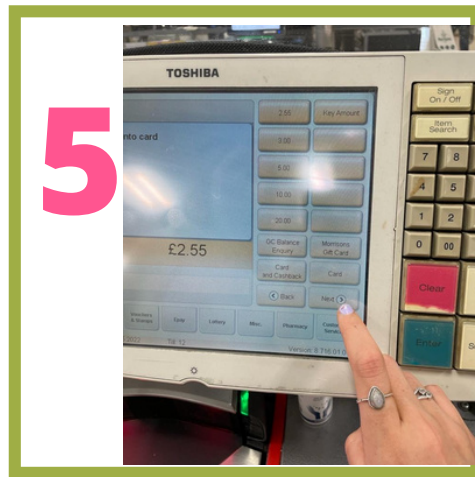

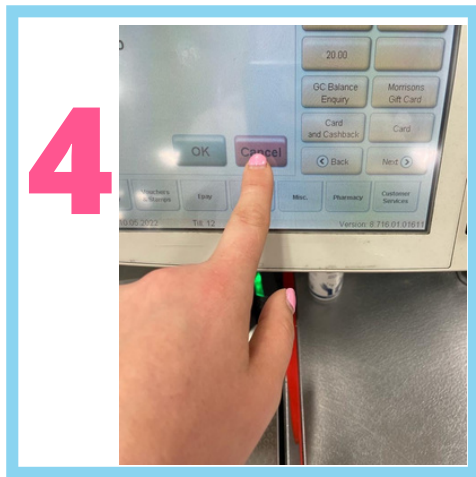

We go round the shop collecting long life food such as: milk, tinned fruit, rice, noodles, custard and rice pudding.
We take it over to the tills, and scan the food and make up bags worth up to £3. These bags go to local food banks helping others in the community who struggle to afford food.

How to use the till

- Step 1: Sign on
- Step 2: Scan the food we picked
- Step 3: Press 'subtotal'
- Step 4: Press 'cancel'
- Step 5: Press 'Next' and 'Next' again
- Step 6: Press 'c/champion food bags'
- Step 7: Print off receipt (does it for you)
- Step 8: Pack bags and write the amount on the front of the bags.
- Step 9: Finally put the receipt in the bag.

After all the food has been scanned and bagged up, remember to 'sign off'.

After you have finished packing up all the bags take them through this door and leave them in the trolley.
