

Compass Card Activities update, february 2013

BHISP (page 3)

BHISP, the active after-school club and Compass Card Activity at Whitehawk's Crew Club, is now 3.30pm till 5pm on Tuesdays instead of Wednesdays. Call the Crew Club on 01273 608607 to book a place for your child.

duke of york's cinema (page 4)

Autism-friendly screenings are now also at The Duke's new screen at Komedia on Gardner Street in the North Laines. Look out for details on the Amaze website's events page, or call the Amaze helpline for more info - 01273 772289.

saturday active club (page 6)

From April 2013, Saturday Active Club relocates from Moulsecoomb to King Alfred Leisure Centre, Kingsway, Hove BN3 2WW. Timings - 10am till 11.30am on the first Saturday of the month - remain the same. Saturday Active Club was originally targeted to 7-18s with moderate learning difficulties, but now it's for a much wider group of children and young people with special needs. They've added soft play and badminton to the activities too. Also, you don't have to book, you can just turn up and parents can join in if they want to.

starfish swimming class (page 7)

There have been some changes to Starfish Swimming Class: the Monday class now runs from 5.30pm till 6pm (instead of 5.45 till 6.15pm) and there's also a new Starfish class on Tuesdays from 6 till 6.30pm. The classes run for a full term and you need to book in advance. A 15 minute assessment is free to Compass Card holders before your child starts the class, so take the card with you and show it at the pay desk. Starfish has been an incredibly popular Compass Card Activity and we've had some wonderful stories of children who haven't managed to stay in classes before, discovering a real love of the water – so book ahead if you want to give this lovely, child-centred class a try. For more information, or to book for the new term, email karen.rutter@freedom-leisure.co.uk or call Karen on 01273 684692.
