

Compass Card offer update, February 2015

The Compass Card is for 20-24 year olds too!

Amaze is extending the Compass Card to include young people aged 20 to 24 (up till their 25th birthday). We've introduced the change in two phases:

1. At the beginning of December 2014, Amaze contacted young people who have had a Compass Card before (or their parent carer) and asked if they wanted to apply for a new Compass Card. They were sent a young person's Compass Registration Form to complete.
2. In February 2015, all young people with significant additional needs were invited to apply for a Compass Card and Amaze has told local organisations about the change.

Young people aged 20-24 with a Compass Card can use all the offers listed in this guide, including things like free gym use which was originally for 16-19 year olds. The only exceptions are the limited number of offers that are specially for younger age groups (The Academies on page 5 and Soft Play on pages 14 to 15 for example). If you want to find out more, email compass@amazebrighton.org.uk or call the Amaze helpline on 01273 772289.
