# Compass Card West Sussex

## Terms and conditions

**1.** Compass Card West Sussex is issued once children and young people have been registered on 'The Compass' (the disability register for West Sussex). Aggregated data from The Compass is used to plan services in West Sussex, but individual information is held securely by Amaze (the charity that manages the scheme) and is not shared outside the organisation. Compass Card West Sussex is valid for two years, or up until the child or young person's 25th birthday. Amaze will remind you to renew the card the month before it expires and ask you to update the information we hold on The Compass. Once that's done, we will issue you with a new card.

**2.** The Compass Card West Sussex 'card holder' referred to in this booklet is the child or young person with special educational needs and disabilities. The card cannot be used by parent carers unless the card holder is present.

**3.** If Compass Card West Sussex is lost or stolen, the original card will be cancelled and a replacement card issued. Amaze reserves the right to charge £5 for the replacement. Contact the Compass Team at Amaze for more info (the team manages Compass Card West Sussex and The Compass - see contact details below).

**4.** Compass Card West Sussex offers are subject to change and this guide does not include last-minute, ad hoc and free offers for Compass Card West Sussex holders. Our regular e-bulletin, Compass News West Sussex, is a great way of getting the latest information. We give away free tickets and provide one-off offers to families through the e-bulletin, as well as providing news and information about the things that matter to you. You can also keep up to date with the free Compass Card App – see page 26 for more info.

Remember to let Amaze know if you change your postal address, email address or 'phone number.

**5.** If you choose to, you can use Compass Card West Sussex as a West Sussex library card. You can indicate this on the Compass West Sussex Registration Form. Alternatively, if you decide you want to use the card as a library card after you have registered, you can take your Compass Card into any West Sussex public library and ask the staff there to activate it on their registration system.

**6.** Card holders need to follow the rules at Compass Card venues and keep to the terms and conditions of the card. Amaze reserves the right to cancel any Compass Card West Sussex if terms and conditions are breached.

**Please note:** Amaze wants to offer as many benefits as possible to holders of Compass Card West Sussex, but this does not mean we are giving our recommendation. We assume you will make your own decisions about whether Compass Card offers are appropriate for your child and whether leisure providers have suitable health and safety and child protection measures in place. However, we do want to know if you experience any problems with a particular venue or Compass Card West Sussex offer. Please do contact us if this is the case.

For more information, or if you experience problems using your card, contact us using the following details:

## Using this guide

This guide provides a snapshot of Compass Card West Sussex offers and should be used as a quick reference only. Some of the offers are straight forward, but others are more complex and you will need more information. For full details and information about accessibility, download the free Compass Card app (search 'compass card' in the App Store for iPhones or Google Play for Android smart phones and download the West Sussex version) or visit our Compass Card offers page at [www.compasscard.org.uk](http://www.compasscard.org.uk) (website launched late November 2016) You're usually expected to show or mention the Compass Card when you book, and to show it when you arrive to validate the Compass Card discount or special offer.

On page 25 we've also listed Compass Card offers in Brighton and Hove and beyond. You can access these by showing Compass Card West Sussex.

Search for 'compass card' in Google Play or in the Apple App Store and download the West Sussex version.
- The Compass Card app's listings will also be on our new Compass website (expected late November 2016). When it's up and running, you'll find the new site here – [www.compasscard.org.uk](http://www.compasscard.org.uk)
- If you provided an email address on the Compass West Sussex Registration Form, you should automatically receive our e-bulletin, Compass News West Sussex. Sent out regularly to Compass West Sussex families, the e-bulletin is jam-packed with special offers, freebies, information on local services and events and more. If you've provided Amaze with an up-to-date email address and you're still not receiving the e-bulletin, do check your junk mail folder. If you're still having problems, call Amaze on **0300 123 9186** or email [compass@amazebrighton.org.uk](mailto:compass@amazebrighton.org.uk)
- If you use Facebook, you can join our Amaze Compass Card Facebook page where we share news and seek your views.

- We've known families use the Compass Card in Brighton and Hove as far afield as Florida and Rome, so it's worth showing it to all leisure providers, whether they have a Compass Card offer or not, to see if you can get a discount. If you get a deal somewhere unexpected, be sure to tell us so we can let other people know (or we may be able to organise an official Compass Card deal). Call **0300 030 9186**, or email [compass@amazebrighton.org.uk](mailto:compass@amazebrighton.org.uk)
- We want to hear your views and ideas about Compass West Sussex – from ideas for new offers, to thoughts about the e-bulletin, the Compass Card West Sussex app, or how we communicate with you. Call **0300 030 9186**, or email [compass@amazebrighton.org.uk](mailto:compass@amazebrighton.org.uk)

Every local authority has to tell families about the services available for children and young people with special educational needs and disabilities through what's called a 'Local Offer'. West Sussex's Local Offer website is fast becoming a must-go-to resource for families and young people in West Sussex – and it's simple and straight forward to use. We encourage all our Compass Card Partners to sign up to the Local Offer, so hopefully you'll find plenty of them on the website.
