

Amaze is a local charity and we are so pleased you have chosen to support us through your fundraising! Here are a few ideas to get you started, and don't forget to get your friends and family to support you!

JUST GIVING

We recommend www.justgiving.com. It is easy to set up your fundraising page for Amaze. Online sponsorship is a very simple way to promote and collect funds. Don't forget you can add your own photos to Just Giving!

Thank you for supporting families with children and young people with special educational needs and disabilities.

MATCH GIVING

Don't forget to find out if your company offers a match giving scheme. Many companies will offer to match pound for pound against what you raise. If they don't then they might consider supporting you with a donation instead.

GIFT AID

Claim Gift Aid and make your donation worth much more – for every pound that is donated, Amaze can claim an extra 28p from the Inland Revenue*.
*To claim gift aid, we need the names and addresses of your sponsors and they must be UK tax payers. We will take this information from your paper sponsorship forms, or if you have set up online fundraising with Just Giving then Gift Aid is claimed automatically.
