

# We are pleased to announce some changes to **PRESENS** Jeanne Saunders Centre

From September 2018 children attending the Jeanne Saunders Centre will be able to use all of their 15 hours of free early learning funding.

The sessions will now be

**Wednesday & Thursday 9.30 - 3.30**  
&  
**Friday 9.30 – 12.30**  
(school term time only)

Children entitled to 30 hours of free early learning will be able to use up to 15 hours at an alternative setting. See the [Childcare Choices](#) website for more information.

Staff are committed to providing high quality support to every child through a wide range of play and learning experiences.

We deliver the Early Years Foundation Stage Curriculum, adapted to meet the learning needs and stages of development of the children. For example;

- There are short group sessions with adult support.
- Individual sessions with an adult
- Free play sessions with other children
- The days are well planned, using approaches, which encourage learning through play, with fun, exciting activities.

Children learn best when they are happy so we work hard at building children's confidence and self-esteem, helping them to feel secure, valued and ready to learn.

We will be providing opportunities for parents to meet on Friday mornings for coffee mornings, workshops and networking with other parents.

In our most recent **Ofsted inspection in April 2016** we were very pleased to be again awarded the grading of outstanding.

If you have any questions about the groups please do give us a call, we are very happy to talk to you. Ask to speak to Sue White the Deputy Head on **01273 294944**
