

Disability Living Allowance (DLA) - how to claim

information ● support

WHAT?

If your son or daughter needs a lot more help than other children the same age they may be entitled to DLA. But it's hard to claim successfully without good advice.

This workshop led by Lizzie Batten will help you identify whether your son or daughter is likely to get DLA and how to make a strong claim. Whether it is a first claim or a review, this free workshop is for you.
