

Monthly coffee morning for parent carers who live in Whitehawk

Thursday 27th June 2019

from 9.30 to 11.30am at the Whitehawk Inn

(next to the large bus depot in Whitehawk Road, on the corner of Whitehawk Road and Marlow Road)

'Caring for an autistic child'

Join us to have a chat about what life's like as a parent carer of an autistic child or young person. Find out more about what mASCot does and what services and support groups are out there for the whole family. A session with Becky Robinson, one of mASCot directors and mASCot Rep for Parent Carers' Forum (PaCC).

Are you the parent or carer of a child with additional needs, or do you have a child who is experiencing difficulties at school?

Would you like a space to relax, meet other parents in similar situations, talk to professionals and find out what's available for you, your child and you family in Brighton and Hove? This parent carers group is open to all parent carers and it is supported by Amaze. Every last Thursday of the month.
