

My school is closing

Coronavirus is a type of flu

The flu will make you feel unwell.

I can try and keep safe from Coronavirus by washing my hands

with soap and water.

I will wash my hands when I sneeze, blow my nose or touch my

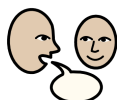

mouth.

I will wash my hands when I go to the toilet.

I will try and cover my mouth when I cough and sneeze.

If I am not feeling well I will tell a grown up.

will

not

give

High 5's

hugs

or

fist bumps.

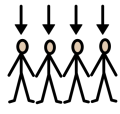

My

school is

closing

everyone

will stay at

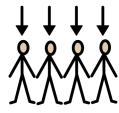

home.

It will

close

to let

everyone

get

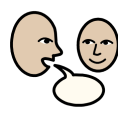

better.

A grown-up

will

tell me

when

I can

go

to

school.
