

Your GP Surgery Learning Disability Register

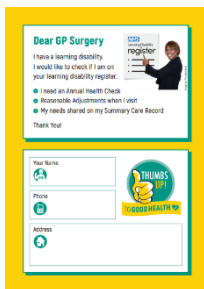

- The Learning Disability register makes health care better for people with learning disabilities.
- If you are on your doctor's Learning Disability Register you can get your vaccine sooner.

You can also get other types of support like:

- Extra time in appointments
- Easy read letters
- An Annual Health Check every year

- If you have a learning disability you can ask your doctor to add you to the register.
- If you want free a postcard that will help you explain it to staff at the surgery contact:
