# Pendragon Project The Hunt AMAZE 2025

## Questions and Answers

## Free Offer for Young People (16-25 in Sussex)

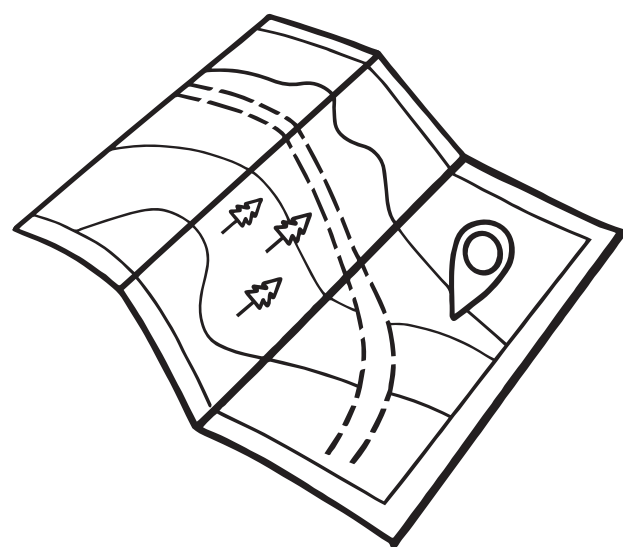

# What is The Hunt: Rogue Agent?

**The Hunt is a kind of outdoor  
escape room**

**You'll need to work as a team,  
using a map to find clues  
hidden around Stanmer Park  
and complete missions.**

**You will also need to evade a  
team of Hunters trying to  
track you down and stop you  
from completing your  
objectives!**

# Who are the Hunters?

**The Hunters are there to make the game more exciting, not to scare you!**

**You can use problem solving and strategy to outwit the Hunters by planning your route and using safe zones.**

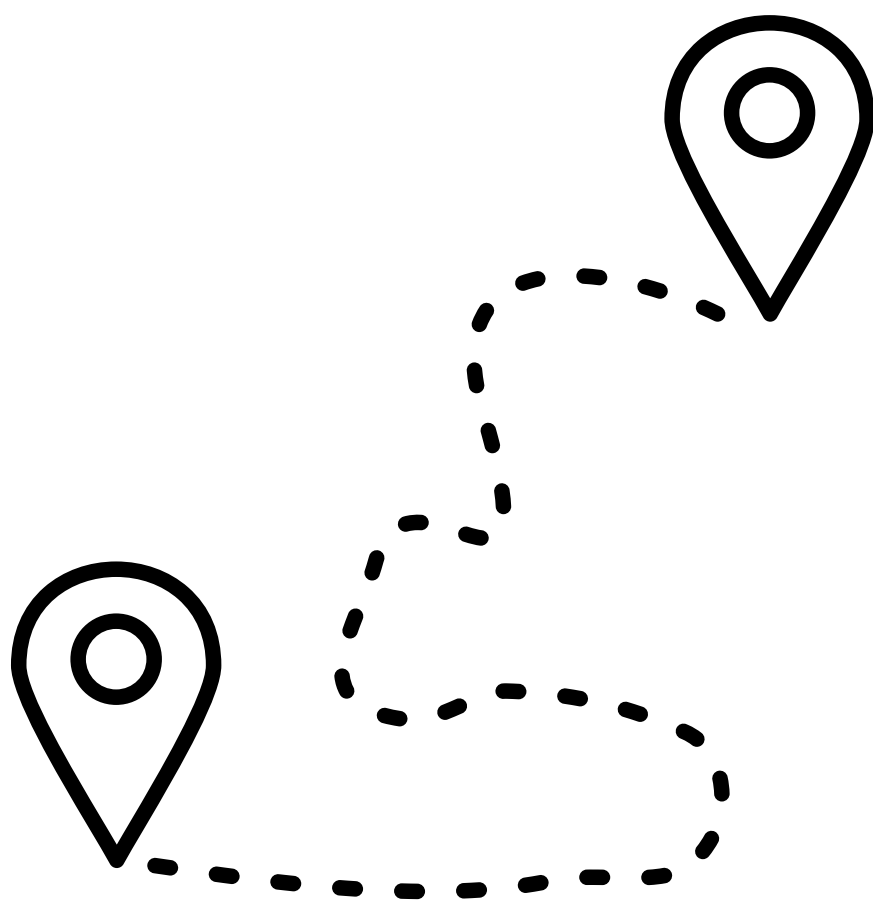

**The Hunters will adjust the game to your group so there is no need to run unless you want to!**

# How fit do I need to be?

**The Hunt is about teamwork and strategy - not speed. You can play at a pace you are comfortable with.**

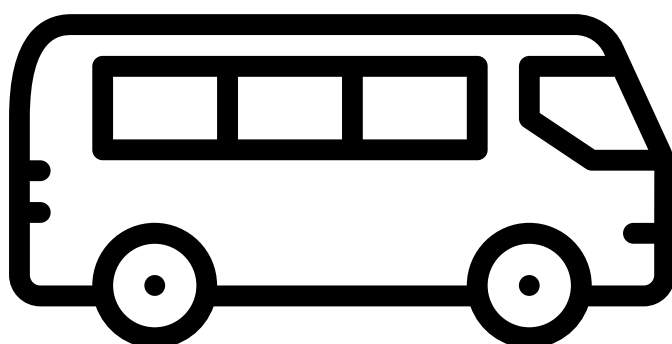

**As a guide, we suggest that players should be comfortable walking outside, on uneven ground, for up to 90 minutes.**

# How will I get there?

**We will work with you and your support/youth worker to plan how you will get to and from Stanmer Park.**

**This could be by bus or getting a lift arranged with you and your support worker, youth worker or organisation.**

# How long will the activity be?

Approximately 2.5 hours in total.
