# Who we are

Amaze is a charity that supports families with children and young people with special educational needs and disabilities (SEND) in Sussex.

We provide:

**advice to families | support and social groups | compass leisure card | help with benefits | peer support | and more**

# How your money could help

**£25**

could pay for refreshments for a specialist careers workshop, aimed at helping disabled young people on their path towards employment.

**£100**

could pay to support a family to apply for the disability benefits they are entitled to, putting an average of £3,000 a year back in their pockets.

**£250**

could pay for a wellbeing session for one of our parent or young people support groups.

**£1000**

could pay for 25 families to take part in a fun day, enabling families with disabled children to connect with others in a safe and inclusive space.

# You can support people like Bobby

*"It's amazing to be part of such an inclusive environment. It has had a huge impact on my life. Places like Amazing Futures can make a big difference in the lives of people with SEND. It has played a big role in shaping my dreams.\* "*

# Why give to charity?

## Engage your staff

By working together, we can put the fun in fundraising. We'll work with you to arrange fun activities for your staff to take part in, whether that's running a marathon or baking some cakes.

## Raise your profile

Every year, we directly support more than 5,000 local people. Our corporate partners are featured on our website and celebrated in our communications.

## Brand value

Showing you are a giving business helps promote your values and show you care about giving back.

## Help the community

By supporting us through donations, fundraising and volunteering, you are genuinely helping people in our community.

# How you can help

## Amaze

### Raise money

Get your fundraising hats on. Whether it's a dress down day, sweepstake or a bake sale, have fun in your office and raise funds for Amaze in the process.

### Sponsor us

By sponsoring one of our events or our activities, you can help Amaze to keep supporting families with disabled children and young people.

### Volunteer

Get out of the office for a day and help young disabled people in Sussex. Your staff can volunteer at our events and activities.

### Take part

Do you have active and enthusiastic members of your team? We have places at marathons and other events throughout the year where you could take part as a team.

### Donate

Make a corporate donation to Amaze and get a warm fuzzy feeling. We can invoice you or you can make a donation directly on our website.

### Payroll giving

Set up a payroll giving scheme and encourage your employees to give funds to Amaze directly from their wage packet.

# How to get started

The first stage in developing our partnership is to get in touch. When we hear from you, we'll arrange to meet for a cuppa and discuss ways we can work together.

We will then send over a partnership agreement outlining what we will do as part of the partnership and any agreed milestones. We will also assign you a dedicated fundraiser who will be responsible for working with you throughout your time supporting us.

We'll then be in touch regularly to check in and give you ideas. If you're fundraising for us, we'll send lots of tips along the way to help you reach your goals too.
